A would-be writer's dissatisfaction with his life leads him on a three-day binge.

THE LOST WORLD

Based on the novel by Sir Arthur Conan Doyle.

At the turn of the century, an expedition is led by a brilliant, but combative professor, sets out from London. It is bound for the Amazon where dinosaurs are rumored to have survived on a forgotten plateau deep in the jungle. They discover the stories are true, but the thrill of discovery is quickly overshadowed by a desperate struggle for survival.

THE LOST WORLD: JURASSIC PARK

Four years after the disaster at Jurassic Park, dinosaurs have secretly survived on a nearby island and roam free, but now there is a more ominous threat -- a plan to capture and bring the dinosaurs to the mainland. John Hammond sees a chance to redeem himself for his past mistakes and sends an expedition led by Ian Malcolm to reach the island before the mercenary team gets there. The two groups confront each other in the face of extreme danger and must team up for their own survival in a race against time.
