The 7 Habits of Highly Effective People: Powerful Lessons in Personal Change
by Stephen R. Covey

If there's one book that stands out as a blueprint for productivity and success, it's Stephen Covey's *The 7 Habits of Highly Effective People*. After many years as a best-seller and a go-to manual for people to maximize their gifts while making a contribution, this book remains a solid choice for those engaged in the conversation of human potential. Although Stephen Covey is no longer with us, his words carry true to this day.

Join Vickie Austin, business and career coach, as she shares from this time-honored classic at December's Biz Books Review. She captures the essence of the book, helping you discover new insights for your own productivity and success. You can come, even if you haven't read the book. Register [HERE](#)

Upcoming **BRC Programs**

The SCORE Workshops and Roundtables are taking a break this month to rejuvenate and prepare for our exciting and informative winter programs.

Look for our new programs in the [Winter Program Guide](#), our monthly newsletter, and on the [BRC webpage](#). Register today!

In addition, we are adding three new study rooms to the second floor, so you will have more opportunities to meet with clients, conduct conference calls and skype meetings, as well as any business task you need to complete in a soundproof space.

The BRC wishes everyone a healthy, happy, joyous holiday season and a very prosperous and rewarding 2019!
